CLOSURE OF NOTICE OF NON-PERFORMANCE

Mr. Daniel Kushner:

The Office of Energy Infrastructure Safety (Energy Safety) issued a Notice of Non-Performance (NON), NON_ESD_PGE_MAZ_20260114_1444 to Pacific Gas and Electric Company (PG&E) on February 27, 2026,¹ pursuant to Public Utilities Code section 326 and Government Code section 15475.1. PG&E submitted its response on March 30, 2026,² addressing the identified non-performance.

After reviewing the response, Energy Safety has determined that PG&E has adequately addressed Energy Safety's concerns. As a result, NON_ESD_PGE_MAZ_20260114_1444 is closed, and no further action on this matter is required by PG&E.

If you have any questions, please contact me or Elizabeth McAlpine at Elizabeth.McAlpine@energysafety.ca.gov.

Sincerely,

A handwritten signature in black ink that reads "Sheryl Bilbrey". The signature is written in a cursive, flowing style.

Sheryl Bilbrey
Program Manager | Environmental Science Division
