CLOSURE OF NOTICE OF NON-PERFORMANCE

Mr. Daniel Kushner:

The Office of Energy Infrastructure Safety (Energy Safety) issued a Notice of Non-Performance (NON), NON_ESD_PGE_GCA_20260408_1333 to Pacific Gas and Electric Company (PG&E) on May 4, 2026,[1] pursuant to Public Utilities Code section 326 and Government Code section 15475.1. PG&E submitted a supplemental response on September 10, 2026,[2] addressing the identified deficiency.

After reviewing the response, Energy Safety has determined that PG&E has adequately addressed Energy Safety's concerns. As a result, NON_ESD_PGE_GCA_20260408_1333 is closed, and no further action on this matter is required by PG&E.

If you have any questions, please contact me or Ricardo Garcia at Ricardo.Garcia@energysafety.ca.gov.

Sincerely,

Elizabeth McAlpine
