CLOSURE OF NOTICE OF VIOLATION

Mr. Daniel Kushner:

The Office of Energy Infrastructure Safety (Energy Safety) issued a Notice of Violation (NOV), NOV_ESD_PGE_RGA_20250717_0951, to Pacific Gas and Electric Company (PG&E) on August 7, 2025,[1] pursuant to Public Utilities Code section 326 and Government Code section 15475.1. PG&E submitted a supplemental response on September 10, 2026,[2] addressing the identified deficiency.

After reviewing the response, Energy Safety has determined that PG&E has adequately addressed Energy Safety's concerns. As a result, NOV_ESD_PGE_RGA_20250717_0951 is closed, and no further action on this matter is required by PG&E.

If you have any questions, please contact me or Ricardo Garcia at Ricardo.Garcia@energysafety.ca.gov.

Sincerely,

Elizabeth McAlpine
