CLOSURE OF NOTICE OF NON-PERFORMANCE

Mr. Brandon Tolentino:

The Office of Energy Infrastructure Safety (Energy Safety) issued Notice of Non-Performance (NON), NON_ESD_SCE_RGA_20260916_1150 to SCE on September 30, 2026,[1] pursuant to Public Utilities Code section 326 and Government Code section 15475.1. SCE submitted its response on October 30, 2026,[2] addressing the identified deficiency.

After reviewing the response, Energy Safety has determined that SCE has adequately addressed Energy Safety's concerns. As a result, NON_ESD_SCE_RGA_20260916_1150 is closed, and no further action on this matter is required by SCE.

If you have any questions, please contact me or Ricardo Garcia at Ricardo.Garcia@energysafety.ca.gov.

Sincerely,

Elizabeth McAlpine
