Underground Safety Board Meeting

August 24-25, 2026

(Remote and In-Person)

RIVERSIDE, CA - The Office of Energy Infrastructure Safety's (Energy Safety) Underground Safety Board (Board) will hold an in-person public meeting with remote access on August 24, 2026, 1 p.m., in Riverside. The meeting may continue to August 25, 2026, if business remains unfinished.

The meeting will be held in the Haagen-Smit Auditorium at the California Air Resources Board at 4001 Iowa Avenue, Riverside, California 92507, and via Microsoft Teams.

There is limited visitor parking, available on a first-come, first-served basis, in front of the California Air Resources Board building. Additional parking is available at University of California Riverside (UCR) Parking Lots [50](#) and [51](#). To utilize these lots, you must contact UCR directly, as their Transportation and Parking Services team manages the process. They can be reached at parking@ucr.edu or (951) 827-1295 for guidance and permit information.

There will be an opportunity for public comment on each item. Members of the public, stakeholders, local and regional agencies, boards, tribes, and commissions are invited to join us.

This message constitutes notice of the sender's intention as the meeting host to record the meeting to be conducted over Microsoft Teams on August 24, 2026, at 1 p.m. and August 25, 2026, at 9 a.m. The recording is voice and video recording. The purpose of the recording is for a Board meeting. If you do not wish to be recorded audibly or visually, please turn off your camera and mute your microphone during the recording.

Public Comment Instructions

The Underground Safety Board welcomes comment at its public meetings and appreciates listening to a wide range of viewpoints that reflect the diversity of California. Please note that comments and materials received as public comment will, in full, become part of the public record.

- Submitting written comment before a meeting:
 - Members of the public may submit comments in writing before any public meeting by sending them to digboard@energysafety.ca.gov.
 - To allow sufficient time for the Board to receive and review written comments, please submit your comments by 5:00 P.M. the Friday before the start of the meeting. Comments submitted after this time may not be received by the Board prior to the meeting but will be distributed to the Board as soon as staff time allows.
- Public comments on enforcement items:
 - The Board makes decisions on enforcement items based on the record before

@caenergysafety

it. The record is the information provided in a notice of probable violation (NOPV), the investigative report and the response to the NOPV made by the NOPV recipient. The Board cannot consider public comment in its decision on an enforcement item.

Accessibility Accommodation

Pursuant to the Americans with Disabilities Act, individuals who, because of a disability, need special assistance to attend or participate in an Energy Safety public meeting may request assistance by email, phone, or mail using the contact information above. Providing your request at least five (5) business days before the meeting will help ensure availability of the requested accommodation.
