Public Comment Instructions

The California Underground Safety Board welcomes comment at its public meetings and appreciates listening to a wide range of viewpoints that reflect the diversity of California. Please note that comments and materials received as public comment will, in full, become part of the public record.

- Submitting written comment before a meeting:
    - Members of the public may submit comments in writing before any public meeting by sending them to digboard@energysafety.ca.gov.
    - To allow sufficient time for the Board to receive and review written comments, please submit your comments by 5:00 P.M. the Friday before the start of the meeting. Comments submitted after this time may not be received by the Board prior to the meeting but will be distributed to the Board as soon as staff time allows.
- Public comments on enforcement items:
    - The Board makes decisions on enforcement items based on the record before it. The record is the information provided in a notice of probable violation

(NOPV), the investigative report and the response to the NOPV made by the NOPV recipient. The Board cannot consider public comment in its decision on an enforcement item.

Accessibility Accommodation

Pursuant to the Americans with Disabilities Act, individuals who, because of a disability, need special assistance to attend or participate in an Energy Safety public meeting may request assistance by email, phone, or mail using the contact information above. Providing your request at least five (5) business days before the meeting will help ensure availability of the requested accommodation.
