Subject: Office of Energy Infrastructure Safety’s Approval of Southern California Edison Company’s Request for Errata

Mr. Ferree:

The Office of Energy Infrastructure Safety (Energy Safety) has evaluated Southern California Edison Company’s (SCE) Errata Request submitted on August 26, 2026,¹ pursuant to Chapter 7 of the Energy Safety Policy Division Process Guidelines.² The errata seeks to update the cumulative targets for WMP activities SH-1 Covered Conductor and SH-2 Targeted Undergrounding in SCE’s Table 8-1: SCE Grid Design, Operation, and Maintenance Targets by year.³ The errata also seeks to update the units used to track undergrounding activities under WMP activity SH-2 Targeted Undergrounding.⁴

Energy Safety’s Decision on SCE’s Petition to Amend (PTA) already approved the changes requested to SCE’s cumulative targets and units used to track undergrounding activities in Table 8-1.⁵ This errata request would align SCE’s 2026-2028 Base WMP with the approved changes outlined in Energy Safety’s Decision on SCE’s PTA. Therefore, this errata request is
