Subject: 2026 Certificate Request Submission Schedule

The schedule for 2026 Certificate request submissions is presented in Table 1 below. To obtain a Certificate, an electrical corporation must satisfy the conditions specified in Public Utilities Code section 8389(a)(1) - (a)(7).

An electrical corporation requesting a Certificate must submit a request to the 2026 Certificate docket (2026-Cs)¹ that adheres to the Certificate Guidelines Version 2.0² and the schedule presented in Table 1. This schedule applies to all electrical corporations that submit a request for a 2026 Certificate to the Office of Energy Infrastructure Safety (Energy Safety). Requests must be submitted on the submission date specified in Table 1. Requests submitted prior to the submission date will not be accepted. Energy Safety may modify this schedule as necessary. If Energy Safety modifies the schedule, it will publish an updated schedule on the 2026 Certificate docket (2026-Cs).
