Subject: Opportunity for Public Comment on 2025 Wildfire Mitigation Plan Independent Evaluator Annual Implementation Report

The Office of Energy Infrastructure Safety (Energy Safety) is providing an opportunity for public comment on the 2025 Wildfire Mitigation Plan (WMP) Independent Evaluator Annual Implementation Reports (IE AIRs). The IE AIRs detail the assessments of the independent evaluators for the following Electrical Corporations (ECs):

- Pacific Gas and Electric Company
- Southern California Edison Company
- San Diego Gas & Electric Company
- Bear Valley Electric Service, Inc.
- PacifiCorp
- Liberty Utilities Company
- Trans Bay Cable
- Horizon West Transmission, LLC
- LS Power Grid

Members of the public may comment on each of the 2025 WMP IE AIRs. Comments must be submitted no later than 5:00 PM (PT) on August 8, 2026.¹ Comments must be submitted to Energy Safety's e-filing system in the Electrical: Independent Evaluator/2025 WMP Independent Evaluator docket ([#2026-IE](#)).²

The IE AIRs were each prepared by an independent evaluator contracted by each electrical corporation. Pursuant to Public Utilities Code section 8386.3(b)(2)(B)(i), the independent evaluators will each issue the IE AIRs to Energy Safety by July 1, 2026.

The contents of the 2025 WMP IE AIRs are the work products of each independent evaluator. The findings and conclusions in the IE AIRs do not represent the views or opinions of Energy Safety or any of its employees. Pursuant to Public Utilities Code section 8386.3(b)(2)(B)(ii),

¹ PUC section (6707) when the last day for filing any instrument or other document with a state agency falls upon a Saturday or holiday, such act may be performed upon the next business day with the same effect as if it had been performed upon the day appointed.

² Submit comments to the 2026-IE docket via the Energy Safety e-filing system here:

<https://efiling.energysafety.ca.gov/EFiling/DocketInformation.aspx?docketnumber=2026-IE>

the independent evaluator's findings are not binding on Energy Safety.

Public versions of the 2025 WMP IE AIRs have been published to the Energy Safety e-filing docket ([#2026-IE](#))³ on July 9, 2026. Any confidential information has been redacted from the public versions of the reports.

Sincerely,

Signed by:
