PG&E's 10-Year Electrical Undergrounding Plan, Comment Schedule, and Virtual Public Workshop

Sacramento – The Office of Energy Infrastructure Safety (Energy Safety) received Pacific Gas and Electric's (PG&E) 10-Year Electrical Undergrounding Plan (EUP) on Sept. 30. Energy Safety is accepting stakeholder comments on the EUP (pursuant to the Comment Schedule below) and will hold a virtual public workshop (via Microsoft Teams) on Thursday, Oct. 15 from 9:30 a.m. to 12:30 p.m. to discuss the plan.

Comment Schedule

Energy Safety is accepting written stakeholder comments on PG&E's EUP. Comments must be submitted to Energy Safety's PG&E EUP docket (#EUP-PGE) [1] by 5 p.m. on the due dates below:

- Opening Comments: November 2, 2026
- Reply Comments: November 13, 2026

Opening comments must focus on information contained in PG&E's EUP. Reply comments are limited to issues raised in opening comments; new information not directly related to previously presented issues will not be considered. Any interested stakeholder other than PG&E may submit opening comments; both stakeholders and PG&E may submit reply comments. Document titles must include the submitting organization or person's name, followed by "Opening Comments" or "Reply Comments." Comments may not exceed 50 pages and must be attached as .docx or .pdf files. Energy Safety may reject comments that violate these parameters or are submitted after the due dates.

[1] Office of Energy Infrastructure Safety, Docket #EUP-PGE (https://efiling.energysafety.ca.gov/EFiling/DocketInformation.aspx?docketnumber=EUP-PGE, accessed September 30, 2026).

PG&E may submit Substantive Errata directly to the docket within 10 days of its initial EUP submission.[2] Party comments should address the most recent version of PG&E's EUP. If PG&E files Substantive Errata, it will be available on the PG&E EUP docket[3] by 5 p.m. on Monday, October 12.

For more information on providing written comments, including accessibility requirements, see Sections 3.6.2, 3.6.3, and 3.9 of the Energy Safety 10-Year EUP Guidelines.[4] To receive notifications about these Guidelines and the comments submitted to PG&E EUP docket, subscribe to Energy Safety's EUP service list by following the instructions at: https://energysafety.ca.gov/events-and-meetings/how-to-participate-in-public-events/

Workshop

During the workshop, PG&E will provide an overview of its EUP and address questions from stakeholders. Members of the public, local and regional agencies, boards, tribes, commissions, and other stakeholders are invited to participate. Attendees are encouraged to submit questions regarding PG&E's EUP in advance to Energy Safety at ElectricalUndergroundingPlans@energysafety.ca.gov by 5 p.m. on Monday, October 12.

Meeting ID: 217 581 145 030 778 0
Passcode: hJ9jE7BS
Dial-In Number: +1 469-998-6045
Conference Code: 574 935 534#

AGENDA[5] Thursday, October 15, 2026	
9:30 a.m. -9:45 a.m.	**Introduction from Energy Safety**
9:45 a.m. – 10:45 a.m.	**PG&E Presentation**
10:45 a.m. – 11 a.m.	***Break***
11:00 a.m. – 12:30 p.m.	**Question and Answer Session**

Remote Attendance

Microsoft Teams is Energy Safety's online meeting service. Navigate to the meeting link and follow the instructions to join the meeting. When attending remotely, presentations will appear on your computer/laptop/mobile device screen and audio may be heard via the device or telephone. Please be aware that the Microsoft Teams meeting may be recorded.

For dial-in users using a telephone connection, press "#5" to raise or lower your hand and press "#6" to be unmuted/muted during the public comment portion of the meeting.

[5] For participant planning purposes, Energy Safety has provided an agenda. The start times of each segment and the order of business is subject to change.

Availability of Documents
Documents and presentations for this meeting will be available in the PG&E EUP Docket on the Energy Safety e-filing system. [6]

Contact Information

Those requiring further information regarding this public meeting may contact Energy Safety at ElectricalUndergroundingPlans@energysafety.ca.gov. This public meeting notice is also available in electronic format on Energy Safety's website at: https://energysafety.ca.gov/events-and-meetings/.

Accessibility Accommodation

Pursuant to the Americans with Disabilities Act, individuals who, because of a disability, need special assistance to attend or participate in an Energy Safety public meeting may request assistance by emailing Energy Safety at ElectricalUndergroundingPlans@energysafety.ca.gov. Providing your request at least five (5) business days before the meeting will help ensure availability of the requested accommodation. For more information about the accessibility features of Microsoft Teams visit the platform's accessibility page. [7]

Notice of Recording
This message constitutes notice of Energy Safety's intention as the meeting host to record the meeting to be conducted over Microsoft Teams on October 15, 2026. The recording is voice and video recording. The purpose of the recording is for a public workshop. If you do not wish to be recorded audibly or visually, please turn off your video and mute your microphone during the recording.
