Re: **Tabular Wildfire Mitigation Data Revisions Submission**
Docket: 2026 Data Submissions

Dear Mr. Mohammed:

Pacific Gas and Electric Company (PG&E) hereby submits revisions to its Tabular Wildfire Mitigation Data. Pursuant to Energy Safety's Data Guidelines, Version 4.1, Section 2.4, Revisions to Previously Submitted Data, an electrical corporation that becomes aware of the need to revise previously submitted data must provide those revisions by the next quarterly submission date.

During PG&E's review of a data request submitted by the Public Advocates Office at the California Public Utilities Commission (Cal Advocates), Data Request No. Cal Advocates-PG&E-2026Q2QDR, PG&E identified duplicate work order numbers in Table 12 for both the Q1 and Q2 2026 WMDR submissions.

This filing consists of the following revisions:

1. Removal of duplicate records from Table 12 in Q1 2026 and Q2 2026.
2. 2026 Q1 Wildfire Mitigation Data Report Table 5.

PG&E appreciates Energy Safety's consideration of this revised submission. Please contact me if Energy Safety requires any clarification or additional materials.

Very truly yours,

/s/ Jay Leyno
