

Public Meeting Announcement

WORKSHOP ON DRAFT WILDFIRE MITIGATION PLAN GUIDELINES

The Office of Energy Infrastructure Safety (Energy Safety) published draft Wildfire Mitigation Plan (WMP) Guidelines on September 1, 2026. Energy Safety will host a public workshop on September 24, 2026, to present the draft WMP Guidelines and take public comments and questions. Members of the public; local and regional agencies, boards, tribes, commissions; and other interested parties are invited to participate and submit questions.

Thursday, September 24, 2026 | 1:30 p.m. to 3:30 p.m.

Join Microsoft Teams Meeting:

3:25 – 3:30 p.m.	Closing Remarks

¹ Planned start and end times for each segment are provided for participant planning purposes. Times and the order of business are approximate and subject to change.

Submitting Questions in Advance

Interested parties are strongly encouraged to submit questions to Energy Safety in advance of the workshop. Questions should be submitted to nathan.poon@energysafety.ca.gov by 5:00 p.m. Tuesday, September 15, 2026.

Energy Safety will prioritize answering submitted questions during the workshop, and will take open questions and comments following presentations as time permits. Submitted questions may not all be addressed due to time limitations.

Remote Attendance

Microsoft Teams is Energy Safety's online meeting service. To join the meeting, navigate to the meeting link and follow the instructions. Presentations will appear on your computer, laptop, or mobile device screen and audio can be heard through the device or by telephone.

When dialing in using a telephone connection, press “#5” to raise or lower your hand and press “#6” to mute or unmute during the public comment portion of the meeting.
