

# Workshop on Safe Excavation Around Abandoned Lines

## Workshop Announcement

The Office of Energy Infrastructure Safety (Energy Safety) Underground Safety Board (Board) will hold a workshop on April 26, 2022 to discuss current communication and excavation practices around unknown and abandoned lines. This workshop will be a chance to share your expertise, experiences, and recommendations on how to improve safe excavation around unknown and abandoned lines. The workshop will include a public comment period for items not on the agenda.

Members of the public, stakeholders, and local and regional agencies, boards, tribes, and commissions are invited to participate in the discussion and public comment. Energy Safety is also accepting written public comments prior to the public meeting.

The workshop will be held via teleconference.

**To join the workshop via Zoom, please click [here](#).**

**AGENDA:** Tuesday, April 26, 2022 | 9 - 11 a.m.

Information Item:

Public Comment on Items not on the Agenda

Workshop on Safe Excavation Around Abandoned Lines: A public discussion on current communication and excavation practices when discovering a previously unknown abandoned facility during excavation.
