**Subject: Extension of the reply comment timeframe for Draft Decision on Bear Valley Electric Service Inc.'s 2022 Wildfire Mitigation Plan Update**

Dear Wildfire Mitigation Plan Stakeholders:

Bear Valley Electric Service Inc. (BVES) and Green Power Institute (GPI) timely submitted comments in relation to Energy Safety's draft Decision on BVES's 2022 Wildfire Mitigation Plan Update (draft Decision) on November 18, 2022, and November 21, 2022, respectively. Due to an administrative issue, GPI's comments were not accepted to the docket until today, November 28, 2022. As such, stakeholders received notice of GPI's comments today. Considering the late notice and distribution of GPI's comments, Energy Safety hereby extends the date for reply comments on the draft Decision from today Monday, November 28, 2022, to Monday, December 5, 2022.

Sincerely,

A handwritten signature in cursive script that reads "Lucy C. Morgans".
