SUBJECT: Southern California Edison's Notification of Completion of Substantial Vegetation Management in accordance with California Public Utilities Code Section 8386.3.(c)(5)(A): VM-3 Expanded Clearance for Legacy Facilities

Dear Director Thomas Jacobs,

In accordance with California Public Utilities Code Section 8386.3(c)(5)(A), SCE is providing notification to the Office of Energy Infrastructure Safety that Southern California Edison Company (SCE) has substantially completed its vegetation management activity VM-3: Expanded Clearance for Legacy Facilities in its 2022 Wildfire Mitigation Plan as of October 24, 2022. As of this date, SCE had performed expanded clearances at 26 legacy facility locations, relative to the 2022 target of 32 locations.

If you have any questions, or require additional information, please contact me at gary.chen@sce.com.

Sincerely,
Gary Chen
Director, Safety and Infrastructure Policy
Southern California Edison
