

Underground Safety Board to Hold Planning and Design Ticket Development Workshop; Pennsylvania 811 Coordinate PA Demo

Notice and Agenda June 22, 2023

Public Meeting Announcement

The Office of Energy Infrastructure Safety (Energy Safety) Underground Safety Board (Board) will hold a workshop on June 22 to discuss the development of an excavation planning and design 811 ticket. During the workshop, Pennsylvania 811 will provide an overview of their design ticket options and the *Coordinate PA* utility coordination and design web application. This workshop will be a chance to share your expertise, experiences, and recommendations on the development of a planning and design 811 ticket.

Members of the public, stakeholders, and local and regional agencies, boards, tribes, and commissions are invited to participate in the discussion and public comment. Energy Safety is also accepting written public comments prior to the public meeting.

Thursday, June 22 | 9 a.m.
