Re: Riverside Public Utilities 2023 Wildfire Mitigation Plan

To whom it may concern,

In compliance with Public Utilities Code section 8387, attached is Riverside Public Utilities (RPU) 2023 Wildfire Mitigation Plan (Plan). The Plan was presented to the Riverside Board of Public Utilities on June 26, 2023, and adopted by the Riverside City Council on July 18, 2023.

RPU incorporated feedback from the California Wildfire Safety Advisory Board's Guidance Advisory Opinion for the 2023 Wildfire Mitigation Plans of Electric Publicly Owned Utilities and Rural Electric Cooperatives into the Plan. RPU engaged Chloeta Fire, LLC, to perform an independent evaluation of the 2023 WMP and issue a report. Following the independent evaluation, Chloeta concluded that the RPU WMP is sufficient in meeting the requirements for comprehensiveness as set forth by California Public Utilities Code Section 8387.
