CLOSURE OF NOTICE OF VIOLATION

Mr. Berreth:

The Office of Energy Infrastructure Safety (Energy Safety) issued a Notice of Violation (NOV), NOV ESD_PC_CAC23_20240912_0738, containing two violations to PacifiCorp on October 31, 2024,¹ pursuant to Public Utilities Code section 326 and Government Code section 15475.1. PacifiCorp's response to the NOV, submitted on November 26, 2024,² addressed the identified violations as follows:

Violation 1: PacifiCorp's response clarified that the debris resulted from actions by the City of Dunsmuir, not PacifiCorp's vegetation management. Based on this information, Energy Safety has withdrawn this violation.

Violation 2: PacifiCorp's response included photographs demonstrating that pruning work was completed by October 1, 2024, and identified trees are scheduled for removal in early 2025. Based on this information, Energy Safety has closed this violation.

Energy Safety has determined that PacifiCorp adequately addressed Energy Safety's concerns. Energy Safety considers NOV ESD_PC_CAC23_20240912 closed, and no further action is required by PacifiCorp.
