Phone Conference ID: 386 119 18#

¹ Docket Guidelines-SCs (<https://efiling.energysafety.ca.gov/EFiling/DocketInformation.aspx?docketnumber=Guidelines-SCs>, accessed April 1, 2025).

² For participant planning purposes, Energy Safety has provided the estimated start and end times for each segment. Times indicated after the start time are approximate and subject to change.

Microsoft Teams (Teams) is Energy Safety’s online meeting service. Navigate to the meeting link and follow the instructions to join the meeting. When attending remotely, presentations will appear on your computer/laptop/mobile device screen and audio may be heard via the device or telephone. Please be aware that the Teams meeting may be recorded.

For dial-in users on a telephone connection, during the public comment portion of the meeting, press “*5” to raise your hand to be unmuted.

Information for this meeting and other upcoming Energy Safety public meetings and workshops can be found on Energy Safety’s Upcoming Meetings page.³

Availability of Documents

Documents for this meeting and the presentation for this meeting will be available on the following Docket:

- Guidelines-SCs⁴

This public meeting notice is also available in electronic format on Energy Safety’s website at: <https://energysafety.ca.gov/events-and-meetings/>.

Contact Information

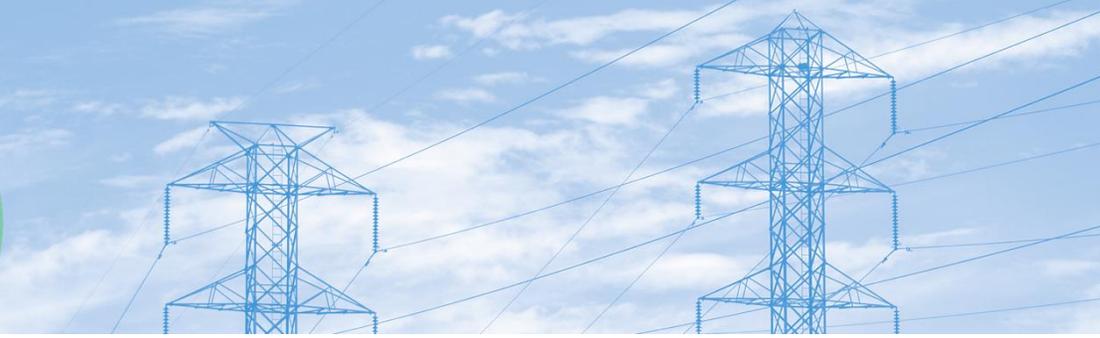

Those requiring further information regarding this public meeting may contact Mihika Kapoor at Mihika.Kapoor@energysafety.ca.gov.

Accessibility Accommodation

Pursuant to the Americans with Disabilities Act, individuals who, because of a disability, need special assistance to attend or participate in an Energy Safety public meeting may request assistance by email using the contact information above. Providing your request at least five (5) business days before the meeting will help ensure availability of the requested accommodation.
