Safety Certification Guidelines Version 1.0

Public Adoption Meeting
Office of Energy Infrastructure Safety
Friday April 25, 2025, 11 a.m. to 12 p.m.

AGENDA

- Safety Certification Overview
- Revisions to the Guidelines
- Written Public Comments
- Public Comment
- Adoption of the Guidelines & Closing Remarks

Safety Certification Guidelines Version 1.0 Overview

SAFETY CERTIFICATION GUIDELINES INTRODUCTION AND BACKGROUND

- ❑ An electrical corporation seeking a Safety Certification must:
 - Satisfy requirements pursuant to Public Utilities Code section 8389(e).
- ❑ The Safety Certification Guidelines:
 - Set forth requirements for an electrical corporation to prepare and submit a request for a Safety Certification, and
 - Prescribe the specific information an electrical corporation must provide in its filing.
- ❑ Additional process requirements are outlined in the Energy Safety Policy Division (ESPD) Process Guidelines.

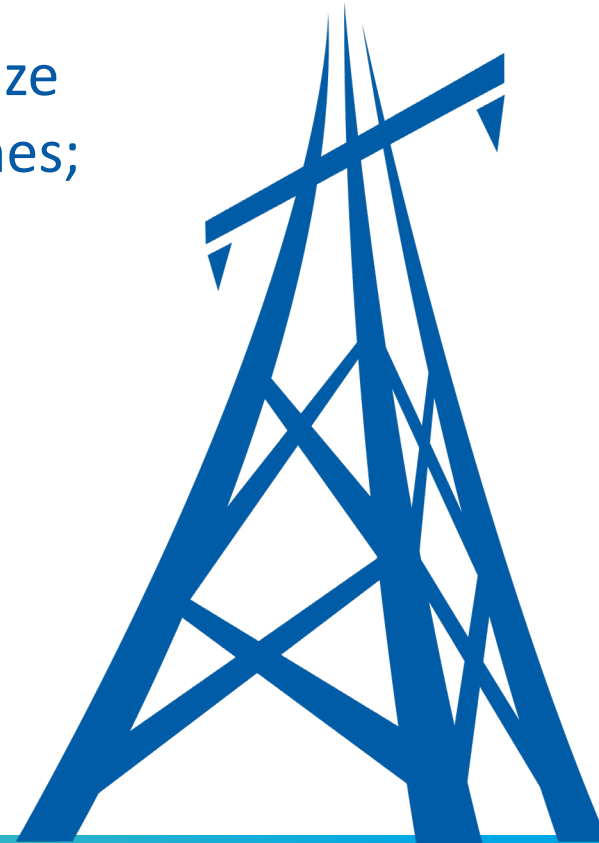

Revisions to the Safety Certification Guidelines

SAFETY CERTIFICATION GUIDELINES REVISIONS

- ❑ The following revisions were made to the Safety Certification Guidelines from 2024 to 2025:
 - Added version control to the Guidelines to identify, organize and manage current and previous versions of the Guidelines;
 - Removed duplicative information provided in the newly adopted Energy Safety Policy Division Process Guidelines;
 - Added a requirement to include any catch-back plans for Wildfire Mitigation Plans (WMPs), if available, in the quarterly progress report on WMP implementation.

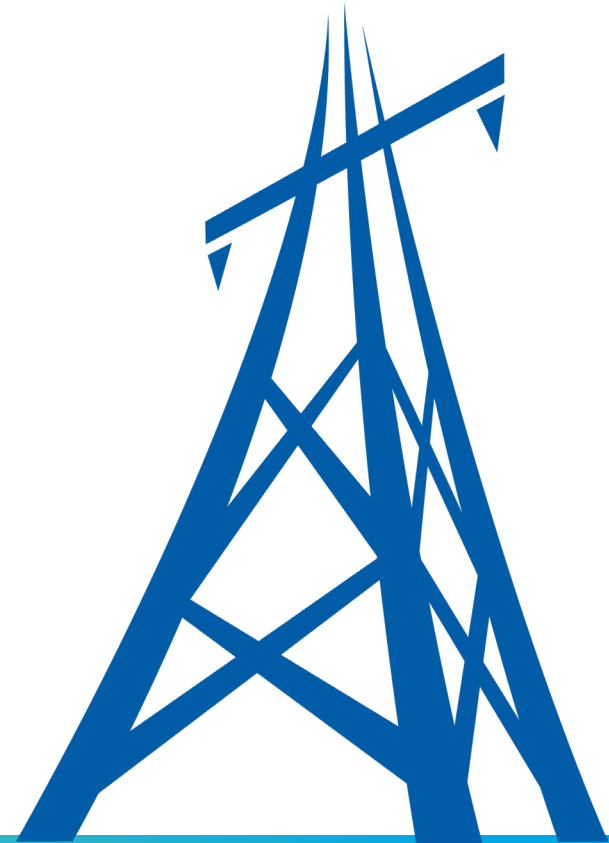

Written Public Comments

WRITTEN PUBLIC COMMENTS

- ☐ Draft Safety Certification Guidelines Version 1.0 were published on March 21, 2025
- ☐ Opening Comments due April 10, 2025: none received
- ☐ Reply Comments due April 21, 2025: none received

Public Comment

If you wish to comment:

- Press the “raise hand” button on Teams
 - Participants will be unmuted in order of hands raised
- Dial-in participants need to press *5 to raise hand

A landscape photograph showing rolling hills in shades of brown and tan, with patches of green vegetation. In the foreground, there are green fields and a small pond. Two large electrical transmission towers are visible, one on the left and one on the right, with power lines stretching across the scene. A large blue circle is superimposed in the center of the image, containing white text.
