Energy Safety to Hold Virtual Public Meeting for Proposed Updates to Wildfire Mitigation Plan Performance Guidelines

SACRAMENTO - The Office of Energy Infrastructure Safety (Energy Safety) will hold a virtual public meeting (via Microsoft Teams) on December 1st, at 1 p.m. to consider proposed revisions to its Wildfire Mitigation Plan (WMP) Performance Guidelines. The WMP Performance Guidelines provide definitions and requirements that electrical corporations and independent evaluators must follow when submitting their Annual Implementation Reports (AIRs). The document to be discussed is:

- Proposed Updates to 2025 Wildfire Mitigation Plan Performance Guidelines

Energy Safety is accepting written comments on the proposed updates to the WMP Performance Guidelines through November 19th.¹ Public comments will also be accepted during the meeting.

The meeting will be held as follows:

Monday, December 1, 2025, 1:00 p.m. (Pacific Time)

Online-only via Microsoft Teams (see Remote Attendance section for Microsoft Teams Webinar information)

¹ Public comments and the proposed updates to the WMP Performance Guidelines are available on [Energy Safety's Compliance Enforcement docket \(#Compliance Guidelines\)](https://efiling.energysafety.ca.gov/Lists/DocketLog.aspx?docketnumber=Compliance%20Guidelines) (<https://efiling.energysafety.ca.gov/Lists/DocketLog.aspx?docketnumber=Compliance%20Guidelines>)

AGENDA: Monday, December 1, 2025, 1 p.m. (Pacific Time)

Item Number	Agenda Item
1.	Introduction from Energy Safety by Patrick Doherty, Program Manager of the Compliance Assurance Division
2.	Summary of Significant Changes from 2024 Compliance Guidelines
3.	Summary of Written Comments Received
4.	Public Comment Period
5.	Overview of meeting statements and meeting close.

Remote Attendance

Interested parties who plan to attend this public comment meeting must register for the event to receive the Microsoft Teams Webinar link. To register, visit the [Energy Safety - Performance Guidelines 2025 Update](#) event page.

Once registered, users will be given the invitation link to join the meeting scheduled for December 1, 2025, at 1:00 p.m. (Pacific Time). When attending remotely, presentations will appear on your computer/laptop/mobile device screen and audio may be heard via the device or telephone. More information about attending a Microsoft Teams Webinar can be found here: [Microsoft Support - Get Started with Microsoft Teams Webinars](#).

General remote meeting information for this meeting and other upcoming Energy Safety public meetings can be found on [Energy Safety's Upcoming Meeting](#) page.²

Availability of Documents

Draft documents for this meeting are available on Energy Safety's [Compliance Guidelines docket](#).³
