In compliance with the Office of Energy Infrastructure Safety's ("Energy Safety") Revision Notice for Liberty's 2026-2028 Wildfire Mitigation Plan ("WMP"), Liberty provides the following to the Energy Safety Docket #2026-2028-Base-WMPs:

- Liberty's Revision Notice Response, including responses to all Critical Issues identified by Energy Safety;
- A redlined version of Liberty's 2026-2028 Base WMP that includes changes resulting from the Revision Notice Response;
- A clean version of Liberty's 2026-2028 Base WMP that includes changes resulting from the Revision Notice Response;
- A revised Excel file updating tables required in the 2026-2028 WMP that incorporates all required changes across all Critical Issues; and
- A revised version of Liberty's Annual-WMP Tabular Wildfire Mitigation Data incorporating the changes from the Revision Notice response.

Additionally, as documented in Table 2-1 of its Revision Notice Response, Liberty corrected the errors identified by Energy Safety in Table 1 of its Revision Notice on the Liberty 2026-2028 Base WMP and corrected additional errors identified by Liberty throughout its revision notice process.

Liberty's revised 2026-2028 Base WMP is available on Liberty's website at the following link:
