Docket #2024-SCAs

Re: Agreement of Bear Valley Electric Service, Inc. to Implement the Recommendations of
Its 2024 Safety Culture Assessment

Dear Director Thomas Jacobs:

Bear Valley Electric Service, Inc. (“BVES”) appreciates the efforts of the Office of Energy Infrastructure Safety regarding the preparation and processing of the 2024 Safety Culture Assessment for BVES (“2024 Safety Culture Assessment”).

In your December 19, 2025 letter, you stated that “BVES can satisfy the requirement in Public Utilities Code section 8389(a)(2) by agreeing to implement the recommendations of its most recent SCAs performed pursuant to Public Utilities Code section 8386.2. This may be done by BVES for the Energy Safety SCA by submitting a letter to that effect to the 2024 Safety Culture Assessments docket (Docket #2024-SCAs).”

By this letter, BVES agrees to implement the recommendations of its 2024 Safety Culture Assessment, which is its most recent safety culture assessment.

Sincerely,

/s/
