Table 2. Errors in the PacifiCorp 2026-2028 Base WMP R1

Section	WMP Page Number	Correction or Clarification
Section 3.6 Projected Expenditures Table 3-3	41	<p>In Table 3-3, PacifiCorp listed the third year of expenditures as 2027.</p> <p><b>PacifiCorp must list the third year in Table 3-3 as 2028.</b></p>
Section 8.1.2 Quantitative Targets Table 8-1	168	<p>In Table 8-1, PacifiCorp appears to use incongruent values for mitigation activities AI-01 to AI-11 for Base WMP years 2026-2028 for columns “% planned in HFTD” and “% planned in HFRA” (e.g., it is not possible for 100 percent of patrol inspections to be planned in the HFTD and 100 percent to be planned in the HFRA).</p> <p><b>PacifiCorp must provide correct “% planned in HFTD” and “% planned in HFRA” values for all “AI” mitigation activities for each year as percent planned in the HFTD only and percent planned in the HFRA only, respectively.</b></p>
Section 8.3 Asset Inspections Table 8-2	194	<p>In its response to RN-PC-26-07, PacifiCorp did not include distribution drone or transmission drone inspections in Table 8-2. PacifiCorp made the necessary changes to Table 8-1, but not to Table 8-2.</p> <p><b>PacifiCorp must include and populate a row for Distribution Drone (AI-09) and Transmission Drone (AI-10) in Table 8-2.</b></p>

Section	WMP Page Number	Correction or Clarification
<p>Section 8.3 Asset Inspections Table 8-2</p>	<p>194</p>	<p>In Table 8-2, PacifiCorp transposed transmission and distribution infrared activity values in column “% of HFRA and HFTD Covered Annually by Inspection Type.” PacifiCorp did not provide the correct values in the respective rows of the column.</p> <p><b>PacifiCorp must amend the transposed cells in Table 8-2, column “% of HFRA and HFTD Covered Annually by Inspection Type” to reflect correct percentages for transmission infrared and distribution infrared activities.</b></p>
<p>Section 9.1 Targets</p>	<p>280-281</p>	<p>In Table 9-1, PacifiCorp provided insufficient information regarding specificity and measurability of its qualitative targets. PacifiCorp improved the specificity and measurability of its qualitative targets in its response to RN-PC-26-02, but PacifiCorp did not incorporate details it included in its response to Data Request OEIS-P-WMP_2025-PC-04, Questions 7 and 8 into its RN response or its 2026-2028 Base WMP R1.</p> <p><b>PacifiCorp must update Table 9-1 to include the same qualitative target detail that was provided in its response to Data Request OEIS-P-WMP_2025-PC-04, Questions 7 and 8.</b></p>
<p>Section 9.5 Wood and Slash Management/Debris Disposal</p>	<p>310</p>	<p>PacifiCorp used undefined terms in its description of slash/debris management practices for “developed,” “undeveloped,” and “inaccessible.”</p> <p><b>PacifiCorp must update Section 9.5 to include definitions for “developed,” “undeveloped,” and “inaccessible” that were provided in its response to Data Request OEIS-P-WMP_2025-PC-16, Question 2.</b></p>

Section	WMP Page Number	Correction or Clarification
Section 9.12 Work Orders	332	<p>PacifiCorp mislabeled Section 9.12 Work Orders as “9.12 Open Work Orders.” PacifiCorp did not adhere to the WMP Guidelines, page 121, naming convention, which requires the title of Section 9.12 to be “Work Orders.”</p> <p><b>PacifiCorp must title Section 9.12 to be “Work Orders.”</b></p>
Section 11.1 Targets	399	<p>In Table 11-1, PacifiCorp included the year 2026 for all three yearly status columns. For initiative #CO-03, in columns “2027 Status” and “2028 Status,” PacifiCorp did not use the correct year.</p> <p><b>PacifiCorp must replace “2026” in the 2027 Status and 2028 Status columns for CO-03 in Table 11-1 with the correct respective years.</b></p>
Section 12.2 Summary of Enterprise Systems	460	<p>PacifiCorp did not provide a definition of “SFTP.” In response to OEIS-P-WMP_2025-PC-03, Question 2, PacifiCorp defines "SFTP" as secured file transfer protocol.</p> <p><b>PacifiCorp must update Section 12.2 to include a definition for “SFTP” that was provided in its response to Data Request OEIS-P-WMP_2025-PC-03, Question 2.</b></p>
Section 13.1 Description and Summary of Lessons Learned	463-464	<p>In Table 13-1, PacifiCorp did not include lessons learned from Energy Safety compliance audits and reports, as required by the WMP Guidelines, page 181. PacifiCorp provided a lesson learned from Energy Safety compliance audits and reports in its response to Data Request OEIS-P-WMP_2025-PC-13, Question 9.b.</p> <p><b>PacifiCorp must amend Table 13-1 to include the response it provided to Data Request OEIS-P-WMP_2025-PC-13, Question 9.b.</b></p>

Section	WMP Page Number	Correction or Clarification
Appendix D	539	<p>PacifiCorp provided an incorrect citation in Appendix D. PacifiCorp cited “CPUC 4427 and 4428 rules” instead of California Public Resources Code sections 4427 and 4428.</p> <p><b>PacifiCorp must amend Appendix D to reflect California Public Resources Code sections 4427 and 4428 versus CPUC 4427 and 4428.</b></p>
