CLOSURE OF NOTICE OF NON-PERFORMANCE

Mr. Brandon Tolentino:

The Office of Energy Infrastructure Safety (Energy Safety) issued a Notice of Non-Performance (NON), NON_ESD_SCE_RGA_20260126_1339, to SCE on February 10, 2026,¹ pursuant to Public Utilities Code section 326 and Government Code section 15475.1. SCE submitted its response on February 26, 2026,² addressing the identified deficiency.

After reviewing the response, Energy Safety has determined that SCE has adequately addressed Energy Safety's concerns. As a result, NON_ESD_SCE_RGA_20260126_1339 is closed, and no further action on this matter is required by SCE.

If you have any questions, please contact me or Elizabeth McAlpine at Elizabeth.McAlpine@energysafety.ca.gov.

Sincerely,

A handwritten signature in cursive script that reads "Sheryl Bilbrey".
