Subject: Extension for Comments Related to the Public Workshop held on March 23, 2026

Dear Wildfire Mitigation Plan Stakeholders:

On March 23, 2026, the Office of Energy Infrastructure Safety (Energy Safety) held a public workshop to continue gathering feedback and information to aid in the implementation of Senate Bill 254 and requested written discussion question responses and comments related to this workshop by April 1, 2026.¹

The Joint Utilities submitted a request for an extension to provide comments by April 27, 2026.² Energy Safety is approving this extension request and will be accepting additional written question responses and comments through April 27, 2026.

Sincerely,

A handwritten signature in black ink that reads "Nicole Dunlap".
