Re: Liberty Letter Regarding 2027 Base WMP Submission Date

Acting Director Tony Marino,

Pursuant to the Office of Energy Infrastructure Safety's (Energy Safety's) Final Decision on Liberty's 2026-2028 Base Wildfire Mitigation Plan (WMP) issued on April 1, 2026, Liberty submits this letter with its proposed date for submitting its 2027 Base WMP within the required range of August 31, 2026 and November 30, 2026. Liberty proposes a submission date of August 31, 2026.

Additionally, Liberty will coordinate with Energy Safety to provide a meeting to present its revised risk model at least 30 calendar days prior to submission of its 2027 Base WMP. Liberty has also established monthly meetings with Energy Safety to provide ongoing updates regarding Liberty's progress.

Sincerely,

A handwritten signature in black ink, appearing to read "E = S R", is positioned above the typed name of the sender.
