**RE: AGREEMENT OF PACIFIC GAS AND ELECTRIC COMPANY TO
IMPLEMENT THE RECOMMENDATIONS OF THE FINAL SAFETY
CULTURE ASSESSMENT REPORT**

Dear Director Thomas Jacobs:

Pacific Gas and Electric Company (PG&E) appreciates the Office of Energy Infrastructure Safety's (Energy Safety) efforts to prepare the 2021 annual safety culture assessments conducted pursuant to Public Utilities Code Section 8389(d)(4). Pursuant to Public Utilities Code Section 8389(e)(2), PG&E may satisfy the "good standing" requirement for purposes of its annual safety certification request by agreeing to implement the findings of its annual safety culture assessment, if applicable. Energy Safety's letter of October 6, 2021, enclosing PG&E's 2021 Safety Culture Assessment Report, instructs PG&E to document its agreement for purposes of Section 8389(e)(2) via a letter submitted to Energy Safety.

By this letter, PG&E agrees to implement all of the findings and recommendations for improvement of the Safety Culture Assessment Report for PG&E. PG&E further expresses its commitment to work with DEKRA and Energy Safety regarding their implementation.

Very truly yours, /

Adam Wright
