

Workshop on Planning and Design Ticket

Public Meeting Announcement

The Office of Energy Infrastructure Safety (Energy Safety) Underground Safety Board (Board) will hold a public meeting on February 28, 2022 to discuss the potential development of a Planning and Design ticket in the excavation process. This meeting is an opportunity to share your expertise in Planning and Design as it pertains to the excavation process and to influence future potential development of Planning and Design tickets.

Energy Safety wishes to invite members of the public, stakeholders, and local and regional agencies, boards, tribes, and commissions to participate in the discussion and public comment. Energy Safety is also accepting written public comments prior to the public meeting.
