

# 2022 Wildfire Mitigation Plan Update Workshop for SMJU and ITO Submissions

May 18, 2021

# Safety Message

- Beware of your surroundings
- Stay hydrated & cool
- Know your evacuation route(s)
- Stand up and move
- Practice public health guidance
- Feel something, say something

# Wildfire Mitigation Plans Overview

- Electrical corporations are required to prepare and submit Wildfire Mitigation Plans (WMPs) to Energy Safety for review and approval
- WMPs describe how the electrical corporation is constructing, maintaining, and operating its electrical lines and equipment in a manner that will minimize the risk of catastrophic wildfires
