

State of California
Office of Energy Infrastructure Safety
Notice of Public Hearing
June 6, 2022
1:00 p.m.

Notification Regulations

On April 29, 2022, the Office of Energy Infrastructure Safety (Energy Safety) proposed to adopt sections 29300 and 29302 of Article 1 of Chapter 2 of Division 17 of Title 14 of the California Code of Regulations. Specifically, the proposed adoption establishes requirements for investigations, reporting, and violations.

The Notice of Proposed Rulemaking and the text of the proposed regulations is available at this link: <https://energysafety.ca.gov/who-we-are/legal-division/electrical-infrastructure-rulemaking/>

Date, Time, and Location

Energy Safety will convene a public hearing on June 6, 2022 beginning at 1:00 p.m. and ending at 3:00 p.m. The hearing will be held at the California Natural Resources Building, Second Floor, in Conference Room 2-221 C. The street address is:

715 P Street
Sacramento, CA 95814

Staff will be available at the lobby entrance area to direct members of public to the hearing room.

Energy Safety will accept oral and written statements during the hearing. The time for oral statements will be limited to 10 minutes per speaker. The hearing will be recorded.

The purpose of the hearing is to receive public comments regarding the proposed regulations. Energy Safety will not respond to comments or answer questions during the hearing.

Contact Person
