Re: Request to Extend Intervenor Comment Deadline for PacifiCorp's 2022 Wildfire Mitigation Plan Update

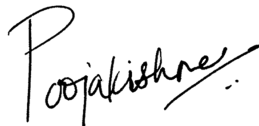

To Whom it May Concern:

PacifiCorp respectfully submits this request to extend the intervenor comment deadlines for PacifiCorp's 2022 WMP Update by 15 days, from June 20 to July 5 for opening comments, and from June 27 to July 12 for reply comments.

PacifiCorp and The Public Advocates Office (Cal Advocates) are in the process of working through issues related to Cal Advocates' sixth data request to PacifiCorp, which involves attorney-client privileged information and has required time beyond the standard discovery response period to produce. Because of this, Cal Advocates has requested that PacifiCorp seek a commensurate extension of the intervenor comment deadlines to allow Cal Advocates sufficient time to prepare its comments on PacifiCorp's 2022 WMP Update.

We appreciate your consideration of this request.

Respectfully,

Pooja Kishore  
Regulatory Affairs Manager  
PacifiCorp
