

**July 14, 2022**

San Diego Gas & Electric Company (SDG&E) provides this update regarding its Wildfire Mitigation Plan (WMP) website (<https://www.sdge.com/2022-wildfire-mitigation-plan>).

**Under the Discovery/Data Requests Section**, the following data request response(s) have been added:

| <b>Data Request</b> | <b>Date Requested</b> | <b>Date Submitted</b> |
|---------------------|-----------------------|-----------------------|
| None                |                       |                       |
|                     |                       |                       |
|                     |                       |                       |
|                     |                       |                       |
|                     |                       |                       |
|                     |                       |                       |

**Reminder:** For parties issuing data requests to SDG&E related to its WMP, please send them to: Kellen Gill ([kgill@sdge.com](mailto:kgill@sdge.com)) and Laura Fulton ([lfulton@sdge.com](mailto:lfulton@sdge.com)).
