BEFORE THE OFFICE OF ENERGY INFRASTRUCTURE SAFETY OF THE CALIFORNIA NATURAL RESOURCES AGENCY

DECLARATION SUPPORTING THE DESIGNATION OF CONFIDENTIAL INFORMATION ON BEHALF OF PACIFIC GAS AND ELECTRIC COMPANY

I, Amy Tong, am the Manager of Electric Program Management in the Community Wildfire Safety
Program, Wildfire Mitigation Plan Program Management Office (CWSP – WMP PMO) of Pacific
Gas and Electric Company ("PG&E"), a California corporation. Sumeet Singh, Executive Vice
President, Chief Safety and Risk Officer at PG&E, delegated authority to me to sign this declaration.
My business office is located at:

Pacific Gas and Electric Company 77 Beale Street San Francisco, CA 94105

2. PG&E will produce the information identified in Paragraph 3 of this Declaration to the Office of Energy Infrastructure Safety ("Energy Safety") or departments within or contractors retained by Energy Safety in response to an audit, data request, proceeding, or other request by Energy Safety.
Name of Energy Safety Proceeding (if applicable): 2022-WMPs-DRs

3. Title and description of document(s):

| Attachment | File Name | Description |
|------------|--------------------------------------------|----------------|
| A | 2022-07-11_PGE_22-12_RNR_R2_Atch01CONF.pdf | Adobe PDF file |
| В | 2022-07-11_PGE_22-12_RNR_R2_Atch03CONF.pdf | Adobe PDF file |

4. These documents contain confidential information that, based on my information and belief, has not been publicly disclosed. Portions of these documents have been marked as confidential, and the basis for confidential treatment and where the confidential information is located on the documents is identified below.

Where Confidential Information is

| Check | Basis for Confidential Treatment | Located on the Documents |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|
| | Customer-specific data, which may include demand, loads, names, addresses, and billing data. | |
| | This information is protected under Public Utilities Code ("P.U.C.") §§ 8380 and 15475(c); PG&E Electric and Gas Rules 9 and 27, Civil Code ("Civ. Code") §§ 1798 et seq.; Government Code ("Govt. Code") §§ 6254 and 6255(a); and the California Constitution ("Cal. Const."), Article I, Section 1. | |
| | In order to meet its statutory obligations, PG&E consistently maintains this information as confidential, protects it from public disclosure, and marks it as confidential when legally required to disclose this information. | |
| | Length of time for confidential treatment: ☐ Indefinite. There is no reasonably foreseeable point in time at which this information will no longer be confidential. ☐ Other: | |
| | Can this information be disclosed if aggregated? ☐ Yes. ☐ No. | |
| | Can this information be disclosed if the confidential portions are masked? ☐ Yes. ☐ No. | |
| | Personal information that identifies or describes an individual (including employees), which may include home address or phone number; SSN, driver's license, or passport numbers; education; financial matters; medical or employment history (not including PG&E job titles); and statements attributed to the individual. | |
| | In order to meet its legal obligations, PG&E consistently maintains this information as confidential, protects it from public disclosure. | |

3

This information is protected under P.U.C. \S

Regulations ("CFR") § 29.2.

15475(c); Govt. Code §§ 6254(k), (ab) and 6255(a); 6 U.S.C. § 131; and 6 Code of Federal

| In order to meet its statutory obligations, PG&E consistently maintains this information as confidential, protects it from public disclosure, and marks it as confidential when legally required to disclose the information. |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| This physical facility, cyber-security sensitive, or critical infrastructure data meets the following criteria: |
| public domain, such as the location of visible equipment. ☐ This information discusses |
| vulnerabilities of a facility providing critical utility service. |
| ☐ This information has been voluntarily submitted to the Office of Emergency services as set forth in Government Code section 6254(ab). |
| ☐ This information, or substantially similar Information, was classified as protected critical infrastructure information by the Department of Homeland Security or |
| Department of Energy. |
| Length of time for confidential treatment: ☐ 3 years. ☐ 5 years. ☐ Indefinite. There is no reasonably |
| foreseeable point in time at which this information will no longer be confidential. □ Other: |
| Can this information be disclosed if aggregated? ☐ Yes. ☐ No. |
| Can this information be disclosed if the confidential portions are masked? Yes. No. |
| Proprietary and trade secret information or other intellectual property and protected market sensitive/competitive data. |

This information is protected under P.U.C. § 15475(c); Civ. Code §§ 3426 *et seq.*; Govt. Code §§ 6254, *et seq.*, (e.g., 6254(e), 6254(k), 6254.15), 6276.44; and Evidence ("Evid.") Code § 1060.

Since this information derives independent economic value from not being generally known, PG&E consistently maintains this information as secret, protects it from public disclosure, and marks it as confidential when legally required to disclose the information.

This document contains the following proprietary and trade secret information: ☐ Invoices—Public disclosure of this information, which contains trade secret pricing information, would be destabilizing to California energy markets and could be used in a tactical manner to obtain an improper competitive advantage. If publicly disclosed, this information could be leveraged to make calculated financial decisions to the detriment of California energy consumers. PG&E holds this information as confidential and would suffer harm if disclosed. ☐ Contract work authorizations—Public disclosure of this information, which contains trade secret pricing information, would be destabilizing to California energy markets and could be used in a tactical manner to obtain an improper competitive advantage. If publicly disclosed, this information could be leveraged to make calculated financial decisions to the detriment of California energy consumers. PG&E holds this information as confidential and would suffer harm if disclosed. ☐ Journal entry templates—Public disclosure of this information, which contains trade secret pricing information, would be destabilizing to California energy markets and could be used in a tactical manner to obtain an improper competitive advantage. If publicly disclosed, this information could be

| | leveraged to make calculated financial |
|-----------|--------------------------------------------|
| | decisions to the detriment of California |
| | energy consumers. PG&E holds this |
| | information as confidential and would |
| | suffer harm if disclosed. |
| | ☐ Purchase order agreements—Public |
| | disclosure of this information, which |
| | contains trade secret pricing information, |
| | would be destabilizing to California |
| | energy markets and could be used in a |
| | tactical manner to obtain an improper |
| | competitive advantage. If publicly |
| | disclosed, this information could be |
| | leveraged to make calculated financial |
| | decisions to the detriment of California |
| | energy consumers. PG&E holds this |
| | information as confidential and would |
| _ | suffer harm if disclosed. |

| | This information is protected under P.U.C. § 15475(c); and Govt. Code §6255(a). | |
| | In order to meet its contractual obligations, PG&E consistently maintains this information as confidential, protects it from public disclosure, and marks it as confidential when legally required to disclose the information. | |
| | Length of time for confidential treatment: ☐ Indefinite. There is no reasonably foreseeable point in time at which this information will no longer be confidential. ☐ Other: | |
| | Can this information be disclosed if aggregated? ☐ Yes. ☐ No. | |
| | Can this information be disclosed if the confidential portions are masked? ☐ Yes. ☐ No. | |
| \boxtimes | Other categories where disclosure would be against the public interest (Govt. Code § | Attachment A - confidential employee names are outlined in red on pages 1 and 2. |
| | 6255(a)): In light of the risks to employee safety | |
| | and privacy, the public interest in maintaining | Attachment B – confidential employee names are outlined in red on page 1. |
| | the confidentiality of the employee information | |
| | outweighs the public interest in its disclosure. | |
| | Length of time for confidential treatment: ⊠ Indefinite. There is no reasonably foreseeable point in time at which this information will no longer be confidential. | |

| ☐ Other: | |
|----------------------------------------------------------------------------|--|
| Can this information be disclosed if aggregated? ☐ Yes. ☒ No. | |
| Can this information be disclosed if the confidential portions are masked? | |

- 5. The importance of maintaining the confidentiality of this information outweighs any public interest in disclosure of this information. This information should be exempt from the public disclosure requirements under the California Public Records Act and should be withheld from disclosure.
- 6. If this information has been disclosed to a person outside of PG&E, it has been protected through the use of confidentiality or non-disclosure agreements. At this time, PG&E does not have internal processes in place that would allow it to determine whether specific information has been disclosed to independent contractors, third parties, or through the regulatory or litigation process. However, to the extent this information was ever disclosed to a person other than an employee, it has been consistently marked confidential and its disclosure contractually protected through the use of confidentiality and non-disclosure agreements.
- 7. I am authorized to make this application on behalf of PG&E and certify under penalty of perjury that the information contained in this application for confidential designation is true, correct, and complete to the best of my knowledge.
- 8. Executed on July 11, 2022 at San Francisco, California.
