Caroline Thomas Jacobs, Director

Date: October 21, 2022

To: 2023 Executive Compensation docket (#2023-EC)

Subject: Postponement of the Public Adoption Meeting for the 2023 Executive Compensation Structure Submission Guidelines

Dear Executive Compensation Stakeholders,

On September 15, 2022, the Office of Energy Infrastructure Safety (Energy Safety) published the Draft 2023 Executive Compensation Structure Submission Guidelines (Guidelines) for public review and comment and provided notice of a Public Adoption Meeting for these Guidelines scheduled for October 26, 2022.¹

Energy Safety received several substantive comments from stakeholders on the Guidelines. As a result, Energy Safety finds that further time is necessary to consider these comments and prepare the final Guidelines. Energy Safety is hereby postponing the Public Adoption Meeting originally scheduled. Energy Safety will confirm the revised date for this Public Adoption Meeting shortly.

Sincerely,

A handwritten signature in cursive script that reads 'Lucy C. Morgans'.

Lucy C. Morgans
Program Manager | Electric Safety Policy Division
Office of Energy Infrastructure Safety
