Docket# 2023-2025-WMPs

Melissa Semcer
Deputy Director, Electrical Infrastructure Directorate
Office of Energy Infrastructure Safety
715 P Street, 20th Floor

Dear Ms. Semcer:

As a new Independent Transmission Operator (ITO) that will be compiling its first WMP in 2023, LS Power shares many of the concerns regarding resources expressed by the California Association of Small and Multi-Jurisdictional Utilities (CASMU). For this reason, LS Power endorses and re-iterates the schedule changes for ITOs proposed in this docket by CASMU.

Sincerely,

Ross Hohlt
Senior Asset Manager
