Re: Pacific Gas & Electric Company's Updated Q4 2022 Quarterly Data Report

Dear Director Thomas Jacobs:

Pacific Gas and Electric Company (PG&E) is providing an updated Q4 2022 Quarterly Data Report (QDR). This updated QDR contains additional data that was missing from our initial February 1, 2022 QDR submission. The updated QDR represents our best efforts to provide the requested data, however, in the few instances where we are unable to provide the requested data or where limitations to the data exist, we have provided explanations in the appropriate locations. In our Q1 2023 submission, we will work on continuing to improve and refine our data processes to provide you with the information requested.

If you have any questions or concerns, please do not hesitate to contact the undersigned at jay.leyno@pge.com or Wade Greenacre at wade.greenacre@pge.com.

Very truly yours,

/s/ Jay Leyno
