Subject: Public Advocates Office Request for Data Request Stakeholder Designation
Docket: 2023-EC

Dear Director Thomas Jacobs,

The Public Advocates Office at the California Public Utilities Commission (Cal Advocates) respectfully requests Data Request Stakeholder Designation for the 2023 Executive Compensation docket (#2023-EC), for data requests to all electrical corporations within the jurisdiction of the California Public Utilities Commission (CPUC).¹ Cal Advocates has a statutory duty to represent and advocate on behalf of the interests of public utility customers within the jurisdiction of the CPUC, with the goal “to obtain the lowest possible rate for service consistent with reliable and safe service levels.”²

The Office of Energy Infrastructure Safety’s (Energy Safety) review of each electrical corporation’s Executive Compensation plan has a direct and immediate impact on the rates and availability of safe and reliable electric utility service for California public utility customers. Cal Advocates has reviewed and commented on past Executive Compensation plans, and has required information from electrical corporations regarding their plans to inform those comments, as part of its statutory duty to represent and advocate for the interests of customers served by electrical corporations in California.

¹ *2023 Executive Compensation Structure Submission Guidelines*, November 28, 2022, Section 6.1.

² Public Utilities (Pub. Util.) Code section 309.5(a).
