Re: **Limitations of E-Filing System with PG&E’s 2023-2025 WMP**

To Electric Safety Policy Division:

On March 27, 2023, Pacific Gas and Electric Company (PG&E) timely filed it’s 2023-2025 Wildfire Mitigation Plan (WMP). Due to limitations of Energy Safety’s E-Filing System, we were unable to upload three attachments. These attachments are detailed below in a table outlining the file name, the system issue encountered, and where stakeholders can find the file on PG&E’s WMP website.
