Energy Safety to Hold Public Workshop on 2023-2025 Wildfire Mitigation Plan Submissions

The Office of Energy Infrastructure Safety (Energy Safety) will hold a public workshop on 2023-2025 Wildfire Mitigation Plan (WMP) submissions from Pacific Gas & Electric (PG&E)¹, Southern California Edison (SCE)², and San Diego Gas & Electric (SDG&E)³ on Thursday, April 27 and Friday, April 28, 2023.

The virtual workshop will include short presentations by PG&E, SCE, and SDG&E, questions and discussion from stakeholder panels, and an opportunity for participants and members of the public to ask questions and provide comments. Energy Safety invites members of the public, stakeholders, and local and regional agencies, boards, tribes, and commissions to participate in the workshop.

Additional details about this workshop, including an agenda, will be published on Energy Safety's 2023-2025-WMPs docket in advance of the meeting.

Documents related to the 2023-2025 WMPs are available in Energy Safety's 2023-2025-WMPs docket.⁴ For further information regarding this public meeting, please contact Joan Weber (Joan.Weber@energysafety.ca.gov) or Nicole Dunlap (Nicole.Dunlap@energysafety.ca.gov).
