Pursuant to The Office of Energy Infrastructure Safety's Determination of Completeness for Liberty's 2023-2025 Wildfire Mitigation Plan Pre-Submission, Liberty Utilities (CalPeco Electric) LLC ("Liberty") provides this cover letter summarizing corrections to the non-substantive errors identified by the Office of Energy Infrastructure Safety ("OEIS") in Liberty's 2023 Wildfire Mitigation Plan ("WMP") pre-submission on March 6, 2023. This letter is being provided to the OEIS docket.

Liberty updated the following information in its 2023 WMP, re-submitted to OEIS on May 3, 2023:

- Liberty included additional language in Section 8.1.2.1 (page 153) to indicate that Table 8-6 includes information on vegetation management work associated with covered conductor projects.
- Liberty moved its discussion of Distribution Fault Anticipation from Section 8.1.2.6 (page 161) to Section 8.3.3.2 (page 259).
- Liberty reorganized Section 8.2.2 (page 203) so that its vegetation management inspection programs have a numbered subheading (i.e., Section 8.2.2.1, 8.2.2.2 and 8.2.2.3).
- Liberty provides additional information in Table 8-48 (page 291), in the Community Resource Center row, Form of Verification or Reference cell.
- Liberty provides the full contact information for the points of contact in Table 8-55 (page 310).
