RE: PacifiCorp's 2022 Notification of Completion of Substantial Vegetation Management in accordance with California Public Utilities Code Section 8386.3.(c)(5)(A):

Dear Director Jacobs:

PacifiCorp d/b/a Pacific Power (PacifiCorp or the company) provides this notice in accordance with California Public Utilities Code Section 8386.3(c)(5)(A), to inform the Office of Energy Infrastructure Safety that the company has completed a substantial portion of the following vegetation management initiatives included in its 2022 Wildfire Mitigation Plan and reported in the 2022 Quarterly Initiative Updates:

- VM-2: Detailed inspections of vegetation around distribution electric lines and equipment
- VM-3: Detailed inspections of vegetation around transmission electric lines and equipment
- VM-4: Fuel management and reduction of “slash” from vegetation management activities
- VM-11: Patrol inspections of vegetation around distribution electric lines and equipment
- VM-12: Patrol inspections of vegetation around transmission electric lines and equipment
- VM-13: Quality assurance / quality control of vegetation inspections

If you have any questions regarding this request, please contact Pooja Kishore, Regulatory Affairs Manager at (503) 813-7314.

Sincerely,

Amy McCluskey
Managing Director of Wildfire Safety & Asset Management
PacifiCorp
