

Date: June 1, 2023

To: “Safety Certification Guideline Adoption” Stakeholders

Subject: Postponement of the Public Meeting to Discuss Adoption of the 2023 Safety Certification Guidelines to June 28

Dear Stakeholders,

On May 3, 2023, the Office of Energy Infrastructure Safety (Energy Safety) published a notice for a public meeting to discuss the adoption of the 2023 Safety Certification Guidelines, which was scheduled for June 8, 2023.¹

Energy Safety is postponing this public meeting to **June 28, from 1:00 p.m. to 2:00 p.m.** Pacific Time. There will be a public comment period during that meeting. Information about how to participate in the June 28 virtual public meeting follows.
