

Southern California Edison Company's Application for Confidential Designation
Pursuant to California Code of Regulations § 29200

I, Raymond Fugere, declare and state:

1. I am the Director of Wildfire Safety at Southern California Edison Company (SCE). As such, I am responsible for overseeing and reviewing SCE's confidential materials in connection with SCE's 2023-2025 Wilfire Mitigation Plan and related Data Requests being submitted to the Office of Energy Infrastructure Safety (OEIS). I am authorized to request confidential treatment via this application on behalf of SCE.

2. I am making this declaration pursuant to California Code of Regulations Title 14, Division 17, Chapter 1, Article 1, § 29200 and applicable California Public Utilities Commission's precedent that govern the submission of confidential documents to the OEIS. SCE discloses this information to OEIS pursuant to these bases as confidential materials and does not disclose the information publicly or to persons other than employees of OEIS.

3. The data covered by these confidentiality bases as described in the following paragraphs is not customarily in the public domain. The data contains trade secrets and/or would cause the loss of a competitive advantage because the response includes sensitive, third-party proprietary information which, if disclosed publicly, could be duplicated by competitors and cause competitive disadvantage.

4. One unredacted copy of the record containing the confidential information is included with this submission. A redacted copy of the record containing the information is also included.

5. Given the sensitive nature of the information, the data should be kept confidential indefinitely.

6. Listed below are the data for which SCE is seeking confidential protection and the basis for SCE's confidentiality request.

Location of Confidential Data	Pages	Description of Information that is Confidential	Basis for SCE's Confidentiality Claim
The confidential data is located in SCE's response to OEIS-P-WMP-2023-SCE-002, Question 2.	Redacted information on pages 1-3.	Information is subject to non-disclosure or confidentiality agreements with the third-party vendor. The information contained in the response is the vendor's proprietary information, and the vendor would suffer competitive disadvantage if the proprietary information is disclosed to its competitors.	Protected under Gov't Code §§ 7927.605, 7927.300, 7925.000, 7927.705, 7924.510(f), , 7922.000, 7922.540; 7930.205, Evid. Code § 1060; Civil Code § 3426 et seq.; 18 C.F.R. Part 358 (FERC Standards of Conduct, FERC Order 717); Cal. Code Regs. 17 § 95914(c)(1); SEC Rules 10b-5, 10b-5-1, 10b5-2; D.11-01-036

I certify under penalty of perjury that the information contained in this application for confidential designation is true, correct, and complete to the best of my knowledge.

Executed on May 11, 2023 at Pomona, California.
