

Public Meeting Announcement

Adoption of the 2023 Safety Certification Guidelines for Electrical Corporations

The Office of Energy Infrastructure Safety (Energy Safety) will hold a public meeting on Wednesday June 28, from 1 p.m. to 2 p.m. (Pacific) on the adoption of the [2023 Safety Certification Guidelines for Electrical Corporations](#).¹ This meeting will allow Energy Safety to present an overview of the changes made to the Safety Certification Guidelines for 2023 and consider their adoption. The meeting will also allow the public to comment on the Draft 2023 Safety Certification Guidelines.

Energy Safety invites stakeholders, including individual members of the public and local and regional agencies, boards, tribes, and commissions, to comment on the Draft 2023 Safety Certification Guidelines in the public meeting. Written opening comments on the Draft 2023 Safety Certification Guidelines were accepted until May 23 and written reply comments were accepted until June 2, 2023.²

[Click here](#) and enter passcode 580271 to join the Zoom meeting on the meeting date.

¹ [See the Draft 2023 Safety Certification Guidelines with changes in redline](#) showing revisions made in response to public comments on the draft published May 3, 2023 (<https://efiling.energysafety.ca.gov/eFiling/Getfile.aspx?fileid=54131&shareable=true>, accessed June 16, 2023).

² Public comments were published on the [2023 Safety Certification docket](#) (<https://efiling.energysafety.ca.gov/Lists/DocketLog.aspx?docketnumber=2023-SCs>, accessed June 16, 2023). See the Energy Safety web page [“Participate in Energy Safety Proceedings”](#) for instructions on how to subscribe to the Safety Certification service list (link: <https://energysafety.ca.gov/events-and-meetings/how-to-participate-in-public-events>).
