Subject: Postponement of the July 31, 2023 Public Adoption Meeting for the 2023 Compliance Guidelines for Electrical Corporations

Dear Stakeholders,

The Office of Energy Infrastructure Safety (Energy Safety) is postponing the public adoption meeting previously scheduled for July 31, 2023.¹ On June 20, 2023, Energy Safety published Draft 2023 Compliance Guidelines.² Energy Safety took public comment on that draft. As a result of those comments, Energy Safety will soon issue revised Draft Compliance Guidelines for additional public comment. A new adoption meeting date is forthcoming.

Sincerely,
