RE: Office of Energy Infrastructure Safety Issuance of Statement of Substantive Erratum for Bear Valley Electric Service Company's 2023-2025 Wildfire Mitigation Plan

Dear Ms. Morgans,

In accordance with the Office of Energy Infrastructure Safety's ("Energy Safety") 2023- 2025 Wildfire Mitigation Plan Process and Evaluation Guidelines¹, Bear Valley Electric Service, Inc. ("BVES") hereby submits a substantive erratum to its 2023-2025 Wildfire Mitigation Plan ("WMP").

BVES revised its WMP to address the following erratum:

Correct the WMP Table 8-35 "Emergency Preparedness Initiative Targets by Year," identified in Data Request OEIS-P-WMP_2023-BVES-003, Question 2. BVES provided its response to this data request on July 10, 2023, which confirmed the table in the submitted WMP was an error.

BVES included the corrected Table 8-35 in its revised WMP, submitted in response to Energy Safety's Revision Notice issued to BVES on August 8, 2023. BVES has posted its revised WMP to the 2023-205 Wildfire Mitigation Plans docket (#2023-225-WMPs).

Sincerely,
