Re: Pacific Gas and Electric Company's Request to Supplement its 2023-2025
Wildfire Mitigation Plan Submission
Docket: 2023-2025-WMPs

Dear Deputy O'Rourke:

Pacific Gas and Electric Company (PG&E) respectfully requests the opportunity to supplement our 2023-2025 Wildfire Mitigation Plan (WMP) submission. The supplement would include additional information responsive to items raised in the 2023-2025 Revision Notice.

PG&E requests until September 25, 2023 to submit this supplemental information to the Office of Energy Infrastructure Safety. PG&E would then submit an updated WMP that reflects this supplemental information on September 29, 2023.

Should you have any questions or concerns, please do not hesitate to contact the undersigned at Meredith.Allen@pge.com.

Very truly yours

Meredith E. Allen
