Re: San Diego Gas & Electric Company's Request to Resubmit its November 1, 2023, Change Order Request

Submitted to the 2023 to 2025 Electrical Corporation Wildfire Mitigation Plans docket (2023-2025-WMPs)

Ms. Fulton:

The Office of Energy Infrastructure Safety (Energy Safety) approves San Diego Gas & Electric Company's (SDG&E's) request to revise and resubmit its November 1, 2023, Change Order Request by December 19, 2023.

On November 1, 2023, SDG&E submitted a Change Order Request to its 2023-2025 Wildfire Mitigation Plan. On December 13, 2023, SDG&E requested permission from Energy Safety to revise and resubmit the request no later than December 19, 2023. SDG&E's request to submit a revised Change Order Request is granted. Energy Safety will evaluate this new Change Order Request in place of the Change Order Request SDG&E submitted on November 1, 2023.

Comments on SDG&E's revised Change Order Request must be submitted within 20 days of the date SDG&E submits the revised Change Order Request. Comments must be submitted to Energy Safety's e-filing system in the 2023 to 2025 Electrical Corporation Wildfire Mitigation Plans docket (2023-2025-WMPs). For more information, see Energy Safety's 2023-2025 Wildfire Mitigation Plan Process and Evaluation Guidelines, in particular Section 6.2 "Public Comments" and Section 12 "Change Order Requests."¹
