SUBJECT: Southern California Edison’s Notification of Completion of Substantial Vegetation Management in accordance with California Public Utilities Code Section 8386.3.(c)(5)(A) for VM-6 Vegetation Management Work Management Tool (Arbora) as of December 29, 2023:

Dear Director Thomas Jacobs,

In accordance with California Public Utilities Code Section 8386.3(c)(5)(A), Southern California Edison Company is providing notification to the Office of Energy Infrastructure Safety that it has completed a substantial portion of its final 2023 Wildfire Mitigation Plan (WMP) vegetation management initiative (VM-6 Vegetation Management Work Management Tool (Arbora)) as of December 29, 2023, as shown in the table below.

2023 WMP Initiative	YTD Completion (as of 12/29/23)
<u>VM-6: Vegetation Management Work Management Tool (Arbora)</u> SCE plans to enable supplemental Vegetation Management (emergent work) tree maintenance capabilities in Arbora by the end of the year.	Completion of User Acceptance Testing

SCE previously provided notice of substantial completion of its other WMP vegetation management initiatives on August 22, September 25, and October 20, 2023.
